Agua Dharm offers a	full line of premium aquarium	products that are designed	d and formulated to bonofit	the health and well

AquaPharm offers a full line of premium aquarium products that are designed and formulated to benefit the health and well being of fish, coral and aquatic life. We are constantly looking for ways to help the hobbyist to properly take care of and nurture their fresh or saltwater habitats.

AquaPharm Laboratories is a manufacturer and distributor of innovative, quality products for saltwater, reef, freshwater and planted aquariums. It was established in 2000 and has steadily gained many customers around the globe, while also building a good network and reputation with dealers.

Apart from producing house brands of our own, we also provide contract manufacturing and private labelling for a number of customers and commercial users around the world. For over 10 years, we have been committed to providing effective ways to keep beautiful and healthy aquariums. However, we are constantly upgrading and developing new products to meet the need of the aquarium industry.

So enjoy your marine and freshwater aquarium.

AquaPharm - It's about adding science to your tank.
