zzz>>>>> JurassiPet

JurassiPet produces a full line of reptile, amphibian and land crustacean products for the prehistoric pet enthusiast. Based on sound science, research, and the most current and respected opinions of foremost herpetological experts, JurassiPet products are the most advanced and effective available. Where other competing products fall short, JurassiPet picks up. Welcome to the next step in the evolution of reptile and amphibian products.

JurassiPet products cover a variety of requirements and include nutritional supplements, foods, maintenance products, and water conditioners. JurassiCal and JurassiCal Liquid offer concentrated calcium supplementation in powdered and liquid form. JurassiGuard, a high potency garlic supplement, enhances appetite. JurassiSafe conditions tap water making it safe before use. JurassiVite exceeds all others in vitamin supplementation by providing all 14 vitamins and 17 trace and ultratrace minerals recommended by herpetological experts. JurassiQuench and JurassiDiet Gut Load will keep feeder insects hydrated and well nourished thereby providing optimal nutritional benefit. JurassiDiet is our line of reptile and amphibian foods that set a new standard in quality and nutrition. It also includes our line of canned insects, EasiDiets

Though we pride ourselves in the products we sell, our most valuable asset is our people. JurassiPet is dedicated to informative customer support and advancement of the hobby. Customer satisfaction is paramount; we know that the use of our products will achieve nothing less.
