The balance between pump performance and tank volume provide the best conditions for your aquarium.

Pleasantly quiet running,

robust durability, long service lifeÂ Â Â

low energy consumption

Excellent value for money

All models include spraybar, inlet pipe, hose and installation accessories

Specific equipment of individual models: Â

-Â Â Â classic 150 with base for safe positioning

-Â Â Â classic 250 with filter basket, with 1 each of coarse filter pad, fine filter pad and activated carbon pad each

-Â Â Â classic 1500XL with practical drain tap; pump unit can be operated separately from the canister

The filter can be operated with coarse and fine filter pads. However, weÂ recommend a filter media layering set up using EHEIM filter media. For this,Â there are filter Media Sets for each model (except classic 150). Â

A variety of accessories allow you to upgrade the features to meet your requirements.
