## News of SolarMax

**Monta** (*General Manager of SeaSun aquarium*) & **Johnson NG** (*General Manager of Extra Bright Co., Limited*)

After meeting at the Aquarama Singapore 2007 , we realizes to good quality and price of the product SolarMax and Xwave but the problem is still not agreed on the order of the force balance over 5 million baht. If agreement is accept. Prepared and signed a sole distributor in Thailand.

Extra Bright has its affiliated companies including SolarMax, AquaHouse and Xwave low price to suit the market conditions in Thailand.

**Aquarium in the factory for test lamp.**

History Extra Bright made bulbs for the home and the public, large one in five of the Hongkong. And five years ago, has been invited by a friend of his father made the tubes for the aquarium. After that they have developed and manufacturing out more about the aquarium. And about 4 years ago, has teamed up with Australian company producing lamps under the brand "AquaHouse" to enter the market in Australia.

And last year produced a wave pump and controller. To market with branded "Xwave" and rebrand by DD Solution england purchased to replace the box under his brand name. Which can guarantee the quality.

**Xwave under brand D-D aquarium solution**

**T8 VHO 11000k & Super Actinic Blue Price less than 5,000 baht are available now.**

**Test tank in the office.**
